ABOUT US

Sunshinebaby Products is a baby clothing brand which sells premium organic muslin cotton clothing for babies aged 0-4 years.

We have an exquisite collection of newborn essentials, clothing, photoshoot outfits, knitwear, swimwear & accessories!

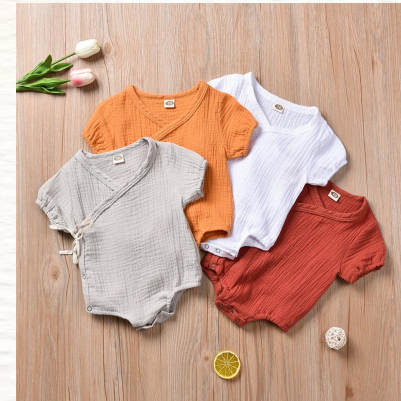

GOTS certified organic muslin cotton, bamboo charcoal reusable diapers & curating a gift box are our USP. We aim for unique, comfortable, stylish clothing & have been making a difference since 2019.

Started by three young mothers from Coorg(Karnataka) who have a vision to make a difference in providing fashionable & comfortable clothing for babies & toddlers.

MADE IN INDIA!

eco-friendly &
sustainable
clothing!

GIFT BOX

Curating a Gift Box for each customer considering their requirements is our forte. A Baby Shower or a Newborn Gift BOX is much loved by all.

VISION

While we aim at providing premium quality baby clothing at affordable prices across the globe, we also support the cause of inclusion of the intellectually challenged & are working on providing employment opportunities for them.

The painted gift box (pic inserted) is made by an Intellectually Challenged artist as part of our initiative & is sold by Sunshinebaby where in 100% of the amount goes to the artists.

Choose Sunshinebaby & go organic on your sunshine!
